

Eton Farm PRIMARY SCHOOL

I'm a mum of 3 children, Noah is my middle child who attends Eton Farm in a Primary School class. My husband Matt and I live in the local area within the SJ Shire in Byford and we have a love for nature and the outdoors. I have worked locally in local government for the City of Armadale for over 10 years now, with a background as Personal Assistant to the Mayor and now working part time as a Community Development Officer for children, young people and families. I take great pride working in the local government community space and enjoy knowing we are benefiting the local community and members of the public. Being on the Eton Farm School board I hope to continue to benefit the local school community and families, helping to build up our future generations in such a nurturing, empowering and individualised way. Becoming a board member is a great opportunity for me to give back to a school that provides so much for our families.
