

Eton Farm PRIMARY SCHOOL

Hi, I'm Janelle, Mum of Lachie and Annabel.

We joined Eton Farm Primary School in 2021 after relocating back to the area. I joined the Board in 2022 taking on the role of Treasurer. I moved into the role of Vice Chair Person in February 2024, and have recently accepted the Chair Person position as a temporary measure.

I was the General Manager of a large not for profit organisation from 2009-2021, and hold qualifications in Business, Management, Bookkeeping; and Education & Care.

I have always been actively involved in the community and have held a number of positions on committees and boards in areas of tourism, community sport & education.

While my career has taken a more direct path in Leadership, which I relish, my passion is advocating for 'kids being kids'. I believe that allowing children to have fun in a respectful and individualised environment during their education will foster a love of learning.

Please feel free to have a chat about anything Eton Farm or child related 😊
